Opening an eAccess Account

What bank products can I open online through Investors eAccess?

Currently, we offer the Investors eAccess Checking Account, Money Market Account, 6 Month No-Penalty CD and 10 Month CD. Additional accounts may be added to Investors eAccess in the future.

What categories of account ownership can be opened online?

Individual and joint accounts can be opened. We currently do not offer Beneficiary, POD, Trustee or Business Accounts.

Who is eligible to open an online account through Investors eAccess?

Online accounts can ONLY be opened by individuals who are US citizens or permanent residents of the USA and are at least 18 years of age.

What do I need to open an online account through Investors eAccess?

You can open your account online via your computer, tablet or smartphone. In order to complete the application, you will need to provide:

- Your contact information
- A physical U.S. address (PO Boxes are not eligible)
- A valid email address
- Social Security Number
- Government Issued ID (Driver's License, US Passport, Permanent Resident ID, or State Issued Non-Drivers ID).

Once I begin the online application can I save it in the system and finish it later?

Yes, you will have an opportunity to save your application for 14 days and return to it within this time period to complete or cancel the application process. If you do not return before 14 days, the application will be removed from our system.

How secure is the Investors eAccess application site?

Your privacy and security are extremely important to us, so we protect your login credentials using 256-bit level encryption. If you use Instant Account Verification to fund your account, your external bank's log-in information is only used once to verify that you own the account. Investors Bank will never use this information again.

When is my account created?

Your account is immediately created upon approval of a completed application. The account will be opened in our system with a zero balance until you complete the funding process. You will have 35 days for eAccess Money Market and Checking Accounts and 15 days for all eAccess CD products, to complete the funding process.

Can I open more than one account? If so, what's the limit?

Yes, you can open more than one account. There is no limit.

How do I obtain my account number?

After an account is created in our system, your account number is included in our Welcome Message which will be sent to the email address you provided during the account opening process.

What if my application is declined?

There are two reasons that this could happen. The first is that the system could not verify the information you provided and therefore the application was denied. Please try to complete another application and make sure the information you enter is correct.

A second reason could be due to negative information found on your Chex Systems report. Investors Bank utilizes the services of Chex Systems, which is a consumer reporting agency that provides information to assist with the approval process around the opening of new checking or savings accounts. If your application is declined due to this reason, you will receive a notice directly from Chex Systems.

If you're denied a bank account due to your Chex Systems report, you are entitled to a free copy of this report within 60 days of being denied. You can order your report directly from the [Chex Systems website](#) or you can contact their Customer Service at 1.800.428.9623. Just as you keep track of what the three major credit bureaus have listed on your credit report, your Chex Systems report should also be examined for any errors regularly.

What if my application comes back as "Under Review"?

Under Review means the application was temporarily put on hold until the Investors Bank team can verify the information provided. You will be notified via email if we can or cannot proceed with your application.

How long is the confirmation email valid once I have requested it?

Once the confirmation email is requested it will remain valid for 15 minutes.

What if I never receive the email to confirm my email address?

First, you should check to see if the email was inadvertently sent to your SPAM folder. If the email cannot be located, please check to make sure that your email address was entered correctly. Once you verify that the email address is correct, simply request another confirmation email to be sent.

When filling out the application, am I able to use the backspace key?

Yes, you can use the backspace key while completing your application. PLEASE NOTE: If you click on the back arrow that is located within your browser, your application will be discarded, and you will be required to repeat the account opening process again.

Why can't I open my eAccess account at an Investors Bank branch?

Investors eAccess accounts can only be opened online. These accounts are self-service and accessible via online and mobile banking or our NICE Center.

Where can I find the online application?

Simply [click here](#).

What are the restrictions of my online eAccess Money Market account?

This account is an Electronic Transaction Account only and is not meant for everyday spending. As such, it does not come with a debit card or checks. For eAccess Money Market Accounts, you are permitted to make a maximum of six withdrawals for a total of \$250,000 per 30 day rolling month. You will only receive eStatements and this account is not offered or serviced by our branches.

What are the restrictions of my online eAccess Checking account?

This account is an Electronic Transaction Account. The eAccess Checking account does not allow paper

checks to be ordered. A paper check can be drafted and sent to an individual via our Bill Pay program within online banking. A debit card will be sent for purchases and ATM transactions, once the eAccess Checking account is funded with the minimum to open balance of \$50. Expedited card delivery is available upon request. For eAccess Checking Accounts, you are permitted unlimited free non-investor ATM transactions. You will only receive eStatements and this account is not offered or serviced by our branches.

Funding

What is Real-Time Account Verification?

This service gives us the ability to verify your identity, account number, and balance in real-time through your external bank account. Please reach out to your financial institution to inquire if they can provide Instant Account Verification responses. The response is dependent on the other institution's ability to support this request.

How do I fund my eAccess accounts?

Deposits to this account are permitted to be made at any time in the form of ACH transfer, incoming wire transfer, or by check via mail or Mobile Deposit. Third party payment of checks is not permitted. Reducing the balance below the minimum balance requirement will require the account to be closed.

Monthly Fees

Is there a monthly fee for the eAccess Checking Account?

Yes, there is a Minimum Balance to avoid Monthly Maintenance Fee: There is a monthly maintenance fee of \$10 on this account. This fee may be waived if one of the following requirements has been satisfied:

- You maintain a minimum monthly average balance of \$1,000.00 or more; OR
- You have recurring direct deposit of \$500.00 or more per monthly statement cycle. Examples of recurring direct deposit include Payroll, Pension Benefits, or Social Security payments. ACH activity that does not represent these types of deposits do not qualify; OR
- You have 10 or more Point-of-Sale (POS) transactions per monthly statement cycle using your Investors Bank eAccess YourStyle Debit Card linked to this account. For this purpose:
 - We count a transaction on the date that it is posted to your account. This date may be different from the date you authorized the transaction using your card, which means a transaction made during one monthly statement cycle may not be counted until a later statement cycle.
 - POS transactions include signature debit transactions and debit transactions that require the use of your Personal Identification Number (PIN); it does not include ATM withdrawals.
 - If the last day of your statement cycle falls on a Saturday, Sunday or legal holiday, your statement cycle will end on the immediately preceding business day. cycle will end on the immediately preceding business day.
- Notwithstanding the above, the Monthly Maintenance Fee will be waived the first 32 days from the opening date of this eAccess Checking Account.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty.

Interest Rates

Is the interest rate on my Investors eAccess Checking account guaranteed?

Your eAccess Checking account is a non-interest-bearing account.

Is the interest rate on my Investors eAccess Money Market account guaranteed?

Your eAccess Money Market account is an interest-bearing account that pays a variable rate of interest. While the rate may change at any time, Investors Bank strives to ensure the interest earned remains competitive to grow your money faster.

When is the interest rate on my Investors eAccess CD determined?

The interest rate on your eAccess CD will be the prevailing rate on the term of you CD as of the Open Date, this rate will remain in effect until the first maturity. You will receive a separate Certificate Of Deposit Receipt following the funding of your account, which will reflect the effective interest rate and APY.

Is the rate tied to an index? How is the rate determined?

Rate changes on the eAccess account are within the bank's discretion and may be made at any time without notice. We do not tie changes to an index. The rate is set based on national rate reviews obtained from Informa Research Services, informars.com. Investors assesses the current interest rate environment to determine how much other banks are willing to pay on deposits to ensure the interest rate remains competitive.

How will I know the interest rate I am earning on my eAccess accounts?

The APYE (Annual Percentage Yield Earned) appears on your eStatement. You can also find the current rate by logging into your online banking account.

How is the interest calculated and credited to my eAccess account?

eAccess Money Market:

Your account will begin accruing interest on the business day funds are received. In the case of noncash deposits, this will generally be the business day following the date of deposit. Investors Bank utilizes the daily balance method to calculate your interest. This method applies a daily periodic rate to the principal in the account each day. Interest is compounded daily on your eAccess Money Market Account.

eAccess CD:

Your account will immediately begin accruing interest once your funds are received by the Bank. Investors Bank utilizes the daily balance method to calculate your interest. This method applies a daily periodic rate to the principal in the account each day. Interest is compounded continuously on your eAccess CD.

When is interest posted?

Interest is posted monthly.

Maturity and Renewal

How do I know when my CD will mature?

Investors Bank will send you an email maturity notice 30 days prior to the maturity date of your CD. The notice will inform you of your options upon renewal of your CD. Your maturity date can also be found on the Certificate of Deposit receipt sent to you after your CD has been opened.

What happens after my CD matures?

eAccess CDs automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity during the grace period, or calling our NICE department at 855-422-6548 during the grace period. Interest will continue to accrue after final maturity for up to ten (10) calendar days. The interest rate will be the same as the rate paid on a renewed account.

Each renewal term will be the same as the original term, beginning on the maturity date. The interest rate will be the same we offer on new time deposits on the maturity date which have the same term, minimum balance (if any) and other features as the original time deposit.

Online Banking/Mobile App

How do I access my online account?

Manage your account easily online with 24/7 secure access by computer, tablet or smartphone. Once you receive your account number, don't forget to enroll in Investors Online Banking by [clicking here](#) or via our mobile app (downloadable through your app store). Your Investors eAccess account may only be accessed through Online and Mobile Banking, and cannot be transacted upon in a branch.

When is the statement cycle?

Statement cycles end on the last day of the month in which they are generated.

Closing Your Account

eAccess Checking Account:

Contact us at our NICE center to close your account out once it reaches a \$0 balance and you no longer want to keep the account opened.

eAccess Money Market Account:

Closing your eAccess Money Market account must be done online since our branches do not service eAccess accounts. Your account balance must be transferred via ACH and the account must have a zero balance. You will receive your funds within three business days and there are no fees or penalties associated with closing an eAccess account. In addition, your account will be considered closed after the balance in your account has been reduced to zero (\$0.00) for 35 business days. Please note that business days exclude Saturdays, Sundays and Bank Holidays. If interest has accrued, please contact our NICE Center at 855-422-6548.

eAccess CD:

Closing your eAccess CD account must be done online since our branches do not service eAccess accounts. Your account balance must be \$0. Withdrawal of funds will be made via ACH transfer to the external deposit account from which funding originated. If the original funding transaction was made via check or Mobile Deposit, then funds will be disbursed in the form of an official Bank Check made payable to the account owner(s) and mailed via First Class mail to the current account address on record. Third party payment of checks is not permitted. You may close your eAccess 10 Month CD without penalty after maturity date, during the 10 day Grace Period. If you close your eAccess 10 Month CD prior to maturity a penalty will be imposed see section above on Penalty for Early Withdrawal.

General**Am I issued a Debit card, or checks with my eAccess Checking account?**

Yes, this account is an Electronic Transaction Account and debit account and is meant for everyday spending. As such, it does come with a Debit Card, but this account does not come with checks. No maximum usage/withdrawals. Your debit card will not be mailed until the account has been funded after account open.
